

DON'T SHOW UP EMPTY-HANDED BOYS!

That's the big rule for Valentines, and we're here to help. For the flower portion, we've got great roses of course, in a lot of different colours and arrangements, and what's even better is that they can be in a crystal vase, perfectly arranged, ready to impress!

Now, although roses are the go-to item for Valentines, there are many other artistic options, and we even have living arrangements for a lasting impression! See Holly or Erin at the indoor gazebo, or call 905-940-0655. We will look after you.

— WHAT'S FOR — LUNCH? THOMAS HERE...

On the occasion of my 25th Birthday, my extended family and I had the occasion to dine at "Carbon Bar" on Queen St. E. Absolutely outstanding among a spread of amazing food was their **slow-smoked southern B.B.Q Brisket**. Everyone amongst us just loved it, so what I did was get them to send us some to the store (I had to beg), and we're going to serve them as a special lunch. I've got my dad to hand carve them, we'll pile them high on a brioche and we'll use their very tasty Espresso B.B.Q Sauce, and we'll have a lot of fun—and I'll get to clean up all the tasty leftovers!

**\$7.99
each**

Sunday Brunch will be **Chicken Noodle Soup** to start, followed by either **Chicken Florentine**, **Penne la Vodka in Rose Sauce** and **Beef Stroganoff over rice or mashed potatoes with vegetables**. Along with either tea of coffee and a token dessert. Served from noon to 2pm. All for
