\*After which, we discuss the meal plan and compose the shopping list for the recipes.

\*The Village Grocer allows for a unique environment whereby our campers shop daily for cooking ingredients giving them the opportunity to interact with staff in produce, meat and bakery departments as they explore the world of food.

\*Campers divide into groups to prepare the mid-day meal consisting of an appetizer, main course and dessert.

\*Class size is limited to 18 participants. Staff includes 3 culinary instructors and 1 assistant.

\*All materials and ingredients are included in the price. Each camper will be provided with their own apron to take home after camp ends.
